

DIVYA JYOTHI DASARI

Senior Electrical Design Engineer

ABOUT ME

Results-driven Electrical Design Engineer with 5+ years of experience delivering high-quality electrical designs for commercial, residential, healthcare, airport, and smart infrastructure projects across Europe. Expert in AutoCAD, Revit BIM, and EPLAN P8, with proven capability in power distribution, lighting, earthing & lightning protection, and BIM coordination. Strong background in cost estimation, tender support, and multidisciplinary coordination, delivering efficient, compliant, and sustainable electrical solutions.

EDUCATION

RIGA TECHNICAL UNIVERSITY, LATVIA

MSc – Computerized Control of
Electrical Technologies
2019 – 2021

JNTU KAKINADA, INDIA

Bachelor of Technology – Electrical &
Electronics Engineering
2012 – 2016

SKILLS

- Electrical Design
- Revit BIM
- HVAC Systems
- AutoCAD Drafting
- Management

EXPERTISE

- Strategic Planning
- Communication
- Data Analysis
- Cost Estimation & BOQs

WORK EXPERIENCE

BT COMMERCIAL LTD – MALTA

- Estimate & Technical Engineer NOW–2023
- Delivered end-to-end MEP design for healthcare and large commercial projects
 - Produced coordinated electrical layouts and BIM models using Revit & AutoCAD
 - Led coordination with architects and MEP disciplines to ensure clash-free designs
 - Supported project costing, BOQs, and technical submissions. Delivered end-to-end MEP electrical design for healthcare and large commercial projects.

MTS CONSULTING LTD – MALTA

- Electrical Design Engineer 2022–2022
- Designed electrical systems for airport hangars and complex commercial buildings
 - Developed lighting, power, earthing, lightning protection, and cable routing drawings
 - Participated in coordination and design reviews

LESIA TECHNOLOGIES LTD – LATVIA

- Electrical Engineer 2020–2021
- Contributed to Smart City Latvia and the electric bus heating system projects
 - Designed electrical schematics using AutoCAD Electrical & EPLAN P8
 - Supported system testing, QA, and documentation

GEN POWER INDUSTRIES PVT LTD – INDIA

- Electrical Engineer 2016–2018
- Electrical design and site supervision for residential and commercial projects
 - Transformer installation, testing, and vendor coordination
 - Ensured compliance with safety and quality standards

ADDITIONAL INFORMATION

- Languages:** Telugu (Native) | English (Proficient)
- Certifications:** Professional Design Engineer (PDE), Project Management Tech (PMT), Project Management (PMP) (Ongoing)
- Activities:** Excellence in Project Delivery, Process Improvement & Design Optimization Initiative, Onboarding Project.
